Code4Lib 2017
Los Angeles
March 6-9, 2017

Code4Lib a community of developers and technologists for galleries, libraries, archives, and museums (GLAM). Our 2017 conference will be held in March at the new Luskin Center at UCLA.

By sponsoring the conference, you can help level up GLAM technology!

The Code4Lib Conference is ...	Sponsorship opportunities include...
- Single-track - Growing — we expect 450 attendees this year from academic libraries, public libraries, archives, museums, and library nonprofits - An amazing opportunity for education and information exchange, with dozens of presentations and preconferences - A good place to meet both practitioners and IT managers — 15% of attendees last year were department heads - Gender diverse — 42% of attendees last year were women	- General and targeted sponsorships - Diversity scholarships - Exhibitor tables located just outside the main ballroom Benefits of sponsoring include... - Recognition - Access to GLAM technologists... one of whom may be your next hire - New ideas and innovations

Interested in sponsoring? View our prospectus at
